Forecast For Strathclyde
Issued by Met Office Aberdeen
at 0400 on Tuesday 02 Feb 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Rain, sleet and snow pushing up from the south.

Today:
It will turn increasingly cloudy through this morning with rain, sleet and snow shortly following behind, this heavy at times. Feeling cold in gusty easterly winds. Maximum temperature 2 deg C (36 deg F).

Tonight:
We will continue to see outbreaks of rain, sleet and snow through this evening and overnight, this heavy at times. Minimum temperature -2 deg C (28 deg F).

Wednesday:
Further outbreaks of rain, sleet and snow will affect the region through tomorrow, with largely cloudy skies. Feeling cold. Maximum temperature 2 deg C (36 deg F).

Outlook for Thursday to Saturday:
Rain, sleet and snow will continue to feed in across the region over the coming days, turning more showery later on Saturday. Feeling cold in easterly winds.
